

NOVATO SOUTH LITTLE LEAGUE
Age Waiver Request

Parents may use this **Age Waiver Request** to make a special request that their child remain/play at a level below the lowest division allowed for his/her league age (e.g., a parent may use this form to keep their 12-year-old in the AAA division).

Background: Ordinarily, players will be drafted into the A—AA—AAA—Majors Divisions based on their League Age, as follows:

- Majors Division: League Age 10-12
- AAA Division: League Age 8-11
- AA Division: League Age 7-10
- A Division: League Age 6-8
- Tee-Ball Division: League Age 5-6 (tryouts not held for tee-ball division)

- Players who are League Age 12 will be drafted into Majors unless they submit this form to restrict themselves to the AAA division.

- Players who are League Age 6–11 who *do* participate in tryouts may be drafted to a team up to the highest division allowed for their age (above). Even if such players are not drafted to a higher division team at the start of the season, they are eligible to be promoted during the season if a spot becomes available. They are also eligible to participate on Post Season Tournament teams.

- Players who are League Age 6–11 who *do not* participate in tryouts will automatically be placed on a team within the lowest division allowed for their age (above). They *are not* eligible to be promoted during the season, and they *are not* eligible for post-season tournament teams.

Please complete and sign this waiver and deliver it to the NSLL Player Agent prior to the commencement of your child's tryouts (or your child's tryout date, if not participating in tryouts) if you would like your child to remain in a lower division.
